

OM

L.V.P.E.I.HYD

God,

I bow my head

In great reverence

No sooner I enter LVPEI.

A great institute

Rendering YEOMAN SERVICE

To Humanity world over

It is more than

Temple, Church, Mosque, Gurudwara,

And all holy places

Where one can see

Moving gods and goddess

When a person enters

This great institute for treatment

He will regain

His lost eyesight

This wonderful institute

Fill life with vision and thrill

Till his / her end of life

This great institute is rendering

Free service to poor

And downtrodden

Under vision rehabilitation service

And many more

And it's Mission is VISION TO ALL

To my own experience

My both eyes are

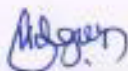

Operated and I got back / regained

Eyesight

Thanks to Dr. Somasheila Murthy Madam

What a great institute, great service, Great People

Longlive LVPEI
