

LV Prasad Eye Institute

Summer Internship in Optometry and Vision Science - 2020

at the
Brien Holden
Institute of Optometry
and
Vision Sciences

L V Prasad Eye Institute (LVPEI)

L V Prasad Eye Institute is a comprehensive eye health facility with its main campus located in Hyderabad, India. A World Health Organization(WHO) collaborating centre for the prevention of blindness, the Institute offers comprehensive patient care, sight enhancement and rehabilitation services and high-impact rural eye health programs. It also pursues cutting edge research and offers training for various eye care professionals and administrative personnel.

Education at LVPEI

From its inception, training has been key to LVPEI's activities. Training programs are offered to personnel at all levels of the eye care service delivery chain: post doctoral ophthalmology fellows and practicing ophthalmologists, optometrists, ophthalmic technicians, nurses, nursing assistants, support staff and eye care administrators.

Education at LVPEI has three main objectives:

- To upgrade the skills of practicing eye care professionals
- To provide opportunities to keep abreast of developments in the field of vision science and eye care service delivery
- To equip new entrants in the field with the appropriate skills and knowledge

Summer internship:

The vision science group at the Brien Holden Institute of Optometry and Vision Science (BHIOVS), L V Prasad Eye Institute, offers a 4 week-long summer internship program for undergraduate optometry students.

The goal of the program is to expose the summer interns to pre-clinical training, optical dispensing, public health and research and innovation activities happening at the institute, thereby encouraging the students to consider one or more of these streams as their career path in the future.

Program outline:

Week 1 : Induction and listening to invited talks on summer internship topics

Week 2 - 4: Training will cover all the summer internship topics, having both hands-on practical sessions and theoretical lectures

Last day: Presentation will be on how the internship helped the candidate including their general experiences in LVPEI

LVPEI faculty team

Dr Shrikant R Bharadwaj
B Optom, PhD
Scientist & Director
Brien Holden Institute of Optometry
and Vision Sciences

Dr Srinivas Marmamula
M Sc (Community Eye Health), PhD
(Optometrist & Public Eye Health Specialist)
Section Leader - Primary eye care, Community eye health education and research
Gullapalli Pratibha Rao International Centre for Advancement of
Rural Eye care (GPR - ICARE), Wellcome Trust / DBT India Alliance - Research Fellow

Dr Pavan Kumar Verkicharla
B Optom, PhD
Scientist - Myopia Lab
Brien Holden Institute of Optometry
and Vision Sciences

Mr Sandeep Reddy P
Diploma in Ophthalmic Techniques (DOT), B Optom
Assistant Director - Opticals & Scleral
Opticals Division
Brien Holden Institute of Optometry and Vision Sciences

Dr Amithavikram R Hathibelagal
B Optom, MSc. PhD.
Post-Doctoral Research Associate
Brien Holden Institute of Optometry
and Vision Sciences

Ms Shailaja P Reddy
B Optom, M Phil
Optometrist
Teaching Faculty
Brien Holden Institute of Optometry and Vision Sciences

Mr Srikanth Maseedupalli
M Optom, PGDHRM
Optometrist
Teaching faculty
Brien Holden Institute of Optometry
and Vision Sciences

Mr Vijay Kumar Yelagondula
M.Optom, MHSerMgt,
Registrar
Brien Holden Institute of Optometry and Vision Sciences

Dr PremNandhini Satgunam
M Optom, PhD
Associate Optometrist - Research
Scientist - Prof Brien Holden Eye Research Centre

Ms Aruna R
B.Optom
Assistant Optometrist
Teaching faculty
Brien Holden Institute of Optometry and Vision Sciences

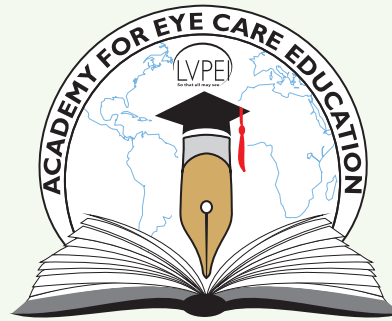

Mr Madhukuri Sitaramanjaneyulu
DOT, B Optom
Associate Optometrist
Teaching faculty
Brien Holden Institute of Optometry
and Vision Sciences

PROGRAM DETAILS

| | |
|---------------------------------------|---|
| Program start and end date | 15 June 2020 & 11 July 2020 |
| Duration | 4 weeks |
| Eligibility | Candidates who have completed the 2nd year or higher in bachelors' degree in optometry program |
| Selection process | On merit basis, after reviewing the applications (50 seats available) |
